Windsock Tails...
>>>

Hello Everyone,

Welcome to “RNAC Windsock Tails”, #002.

Last Sunday, 21st August, at RNAC, two significant events occurred...

1. Monica Halbauer completed her first solo flight.

I just happened to be at the right place at the right time to capture the event, pictured below.

Congratulations Monica, you are now officially a “Pilot”

Below, Monica and James, RNAC Flight Instructor after Monica's first solo flight.

2. Club competitions were being carried out.

Below "**The MOB**" have been pictured having a very easy time of it in the sun.

I'm not sure what they were looking at...

Above, John Farrelly makes his approach on the spot landing...

For new pilots or even those who just haven't flown in while, I would strongly recommend the RNAC monthly comp.

- If you wish to compete, you can.
- If you just need to stay current, you can.
- If you just wish to socialize and have some fun, you can.

Basically you are with a qualified instructor at a subsidized rate. Come and have a go...

If you are interested, contact the club for further information, 0249 328888.

That's it for now...

Very kind regards, Trevor.

Director and Life Member.
