Windsock Tails...

Hello Everyone,

Welcome to "RNAC Windsock Tails", #003.

See below the brass plaque to be affixed to our Tiger...

John Wholohan tells me it needs some fine finishing work to preserve the look and then it's done...

Please disregard my reflection, it will not be on the finished product.

John has done an outstanding job on this plaque. I am thrilled with the result am I am sure our membership will have a similar view.

With very great appreciation, thank you John.

Very kind regards, Trevor.
