Windsock Tails...
>>>

Hello Everyone,

Welcome to “RNAC Windsock Tails”, #011.

Maitland Steam Fest was held last weekend and on Sunday, the Great Race between our Tiger and an available steam train was run and won. This year I was able to get in front at about Metford and hung on to win the race.

Below is a selection of photos from the day. It really was a great flying event and I think all involved had a great time.

A very special thank you must go to the various members who responded to the very late, Friday email from the club office regarding the need for a volunteer photographer. RNAC Member, Anthony Sadler volunteered his photographer friend, Simon Hayes from Sydney who made the trip and did a great job for our club.

A very appreciative and sincere thank you to both Anthony and Simon for a great job well done.

Yours truly, and our Tiger at 12,000 ft, very cold... Just kidding, everyone knows you need oxygen at that height.

Below, just a random selection from the race and Newcastle.

Just a reminder...

- All Tiger Moth joy rides are half price until Mother's day.

Very kind regards, Trevor.
