## Tiger Update.

The “*Mother’s Day*” Tiger joy rides special has resulted in significant utilization of the Tiger. This has been a good result, and yes, I think we will do it again at some point.

### Our Tiger, working hard on Sunday.

Around 60 separate flights have occurred over the last 3 months, the majority of these have been joy rides.

That’s it for now, hope to have another “*Windsock Tails*” soon...

Very kind regards, Trevor.
