Windsock Tails...
>>>

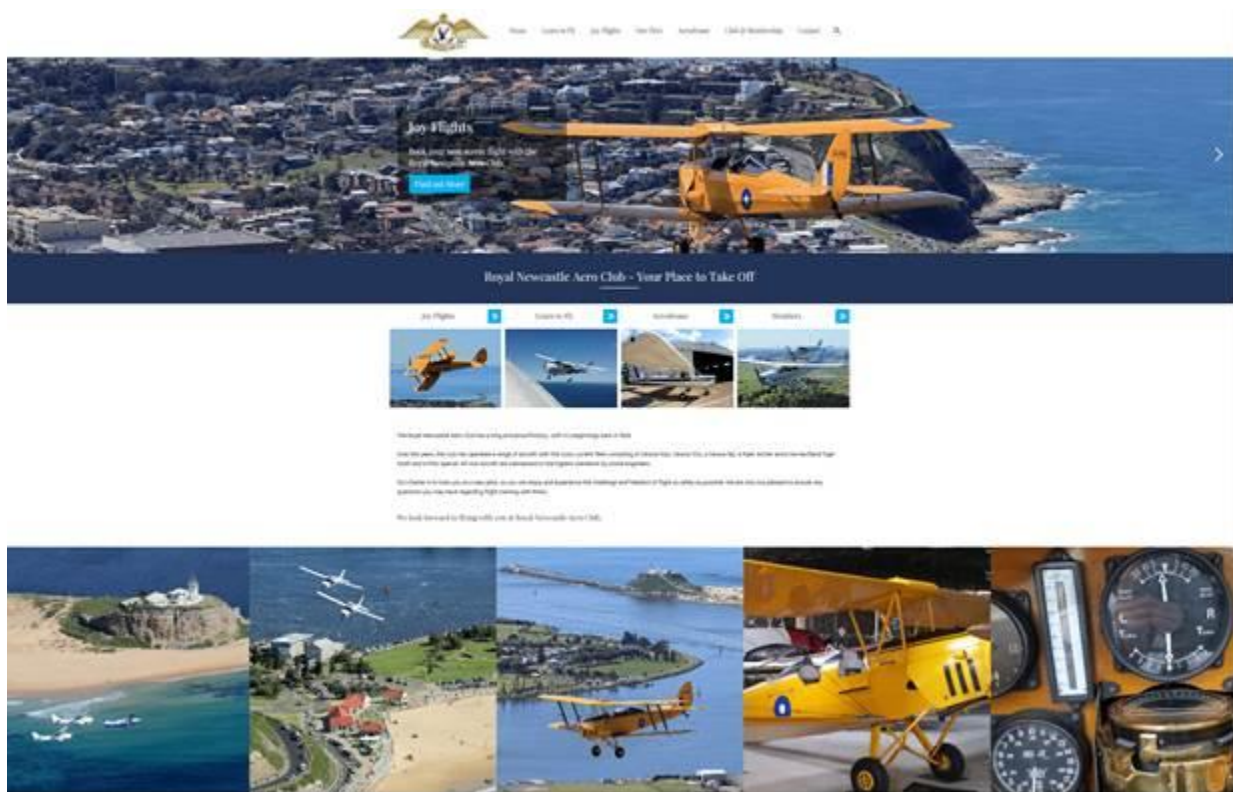

Hello Everyone,

Welcome to "RNAC Windsock Tails" #013.

We have a brand new RNAC web site....

<http://www.rnac.com.au>

A fresh new look, consistent with web business presentation of 2017 and beyond....

- Just a quick **caution** to clearly state where this project is at...

The web site is not finished...!!!

This project has been in the mill for some time now. I made the decision to go live earlier this week to expedite the finalisation, albeit with some areas still needing attention.

You will see a new presentation, but parts of the site are still under construction and a final audit of time expired articles is being actively worked on now.

Also, a new attribute for PayPal and other additional pages are yet to be added. It is also likely that some option buttons won't work yet.

RNAC staff will be trained in coming weeks and we hope to have full functionality of the site soon.

I believe this has been a big improvement on the original site. I would also like to say a big thank you to all the people that had a hand in this including RNAC Members, Staff and our provider, HyperWeb. Further to that, I would like to invite member comment. Tell us what you think, good or not so good. All feedback would be appreciated, please do so if you feel inclined.

One other quick issue that needs to be addressed...

- All RNAC email that contains Westnet within the address, are about to be retired.

Please update your contacts to only use @rnac.com.au email address. The popular addresses are listed below...

- Office@rnac.com.au
- Instructor@rnac.com.au
- Cfi@rnac.com.au
- Lyn@rnac.com.au

That's it for now...

Last word - If you can, please support your club....

Very kind regards, Trevor.
