Windsock Tales...
>>>

Hello Everyone,

Welcome to “RNAC Windsock Tales”, #020.

A number of topics today...

- A story about a Stearman.
- Final NBN update.
- Progress report on the clubs new booking system.
- RNAC WEB site updates.

Here we go...

Luskintyre, Jandakot , Luskintyre, in 8 Days...

I received an email from John McMaster, a dear friend, Tiger Moth pilot and a fellow RNAC member about an adventure he and three other aviators made very recently. The travel log, authored by Keiran Balkin is attached. I found it a great short read. Seventeen pages of aviation adventure shared between friends traveling from Luskintyre to Jandakot to pick their latest aircraft acquisition, and then fly it home.

Jandakot to
Luskintyre FINAL.pdf

Pictured below the four adventurers...
From left to right, Tim Drane, John McMaster, Matt Webber and Keiran Balkin.

NBN Update

After 145 emails, countless phone calls, 6 months of time, the NBN is now established, up and running. Project Closed...

RNAC Online Booking System

The new booking system has been trailed for the last 2 months with very positive feedback. The old paper system has been retired and we look forward to a more efficient, accessible and work friendly tool for both members and staff.

Again, a very big thank you to RNAC member Even Rose and Flight Instructor James Rose for the design, trial and implementation of the new system.

I have attached the Online Booking System, Operating Manual for those that may be interested. The login web link is below.

<https://www.shlott.com/login>

Last point... If the web is not your thing, you can always phone the club and book an aircraft or instructor during business hours.

RNAC Web Site Additions

It's official.... We now have a dedicated "**Members Only**" area available online, specifically designed for members and student pilots only. Now it is a work in progress and it will take time to fine tune and build into something of high value, however, I think we are heading in the right direction...

If you are interested, follow the links below...

1. Open the RNAC home page, <http://www.rnac.com.au>

2. Select "**Members**" icon.

Members Only - Logon Required

3. Select this button.

4. Enter the Username: **Member**
5. Enter the Password: **Special604!!!**

Log In

6. Select this button.

You are now in the RNAC members area with relevant information specifically for our members and student pilots.

Select the button that is of interest to you.

RNAC - Pilot Training Handouts

RNAC - Aircraft Owners and Operators

RNAC - Memorandum & Articles of Association

RNAC - Standing Orders

RNAC - Board Protocols

RNAC - Online Booking Operating Manual

Hope you like it, that's it for now...

Kind regards, Trevor.

Director and Life Member.
