Windsock Tales...
>>>

Hello Everyone,

Welcome to "RNAC Windsock Tales", #023.

Only one topic today...

RNAC 90th Anniversary.

I have put together some photos of the night in the attached PDF document. It was easier to format and reduced the size of the email.

Please take five minute to look at this great event and again I thank all the people involved in making it the successes that it was.

Kind regards, Trevor.
